

Dear Boss,
Thank you for your visit to CHOICECYCLE.

Wonder if you agree, Hard Time or Crisis Recession is the BEST Time to start a new career or develop a new Entrepreneurship.
CHOICECYCLE started from 2003 (SARS Crisis), now we are in Distribution, Retailing, Import & Export of CCTV products.

With your IT knowledge, Marketing Experience, Sales Strategy & Customer Networks, it is very much easy for you & us to start something small.

Propose to locate a small Demo counter with rental less than \$800, does not require heavy human traffic or expensive counter. Is ok for Low or Super Low Human Traffic shop front but not close door Office. Prefer in Shopping Center with aircon & 24hours Security or Market – remote corner is ok. Upgrade later when success.
Eg. Katong SC, Hougang Green, Balestier,

Allow **Multi Income**, rather than Single.

- a) Start your small Retail business – target surrounding,
- b) Import & Export with Internet JB, Indonesia, Thailand, ASEAN, World,
- c) Local Project Quotation – display awareness CCTV demo at your Counter when you are out.
- d) Distributor to your Area / Town, setup your Reseller Counters.
- e) Customers to Sim Lim from your area / source will be re-direct for you to follow up.
- f) Offer Repair of PC or Notebook as extra income.

Advise:

Do not get **over involve** in Technical & Service, cause will not bring Wealth to your account.
Rather quote Customer cheaper to out-source, higher cost for Full project.
Stay focus in Marketing & Strategy, Wealth will stream in.
